Mandrakelinux 10.1 Official

This month's DVD brings you Mandrakelinux 10.1 Official. Mandrakelinux 10.1 is the latest in a line of innovative Linux products from Mandrakelinux.

What's New?

Mandrakelinux 10.1 comes with Linux kernel 2.6.8, and you have your choice of the KDE 3.2.3 or Gnome 2.6 desktop. This version also includes support for Wi-Fi and Intel Centrino Mobile technology, as well as expanded laptop support and additional Bluetooth features. Also included are applications such as the Scribus desktop publishing application, Kphone for Internet phone calls, and the Rosegarden music composition system.

What's Inside?

The Mandrakelinux Control Center provides a convenient interface for managing your Mandrakelinux configuration. The Control Center

includes over 60 wizards and configuration utilities.

Mandrakelinux 10.1 includes hundreds of other useful applications. You'll find multimedia tools such as GnomeMeeting, MPlayer, and the Kdenlive video editor, as well as utilities for creating CDs.

Office tools include the OpenOffice suite, the Kontact groupware client, the Gnome spreadsheet Gnumeric, GnuCash, and the Karbon 14 vector drawing application.

Mandrake also offers an extensive collection of server applications and system administration tools.

Also Inside

Start the Linux Magazine DVD and explore Mandrakelinux 10.1 Official. You'll find a secure and easy-to-use Linux that will please both beginner and expert.
