Suse Linux Firewall 2

We are proud to provide a full version of Suse Linux 9.2 Professional as this month’s Linux Magazine DVD. Suse Linux Pro is the flagship product from one of the most popular distributions in the world. On this DVD, you’ll find a stable, reliable Linux system with hundreds of useful applications.

YaST
Suse comes with YaST, a universal graphical assistant that manages important configuration tasks. YaST is a single tool for managing services, security, packages, and hardware.

Desktop
Suse Linux 9.2 Professional comes with the KDE 3.3.4 and GNOME 2.6 desktops, as well as OpenOffice.org 1.1.3 and a vast collection of office tools. You’ll also find many exciting multimedia tools and some advanced applications for supporting portable and wireless systems.

Server Side
In addition to its many desktop and client tools, Suse Linux 9.2 Professional also offers a full range of network services and administration tools.

Install Today
This convenient DVD gives you the complete Suse Linux 9.2 Professional distribution on a single disk. We hope you enjoy exploring Linux with the Linux Magazine Suse Linux 9.2 Pro DVD.

Special Upgrade Offer
Save £22 on the update edition of Suse Linux Professional 9.3, including more than 1,000 applications on five CDs and two dual-layer DVDs. The package includes 60 days of installation support and a detailed, easy-to-understand Administration Guide.
